

## MEAL PLAN TERMS AND CONDITIONS

Summer 2024:

**Please review the summer dining schedule before signing up for a summer dining plan. Summer dining hours are limited and may not be compatible with your intensive summer class schedule. Check hours on our [website](#) for specific hours and days.**

Please reserve the dining plan(s) indicated for the 2024 summer sessions. I understand that the full value of the requested dining plan will be charged to my SIS account. I understand that I may sign up for as many meal plans or add as many additional summer flex dollars to my summer meal plan as I will need throughout the summer sessions. I understand that unused summer Flex Dollars and unused summer meals are non-refundable. I confirm that my program of study is compatible to having and using a summer meal plan during the **limited** summer dining schedule. I understand that early terminations are not permitted, except in cases of early withdrawal from summer academic sessions, and that non-usage or non-payment of the plan does not provide an exception to this policy. Unused summer Flex Dollars and unused summer meals are forfeited at the end of summer session 3 and do not roll over to any other term.

If a cancellation request is approved there may be a \$50 early termination fee and pro-rated charges. Change requests sent to any other offices (including Student Financial Services) are not accepted and cannot be honored.

All Flex Dollar funds and meal plans purchased for use in U.Va. Dining facilities are for the personal use of the owner of the account or plan only and are non-transferable. Except as otherwise expressly stated in these terms, all summer Flex Dollar funds and meal plans are non-refundable and will expire at the earlier of: the last day of enrollment in UVA, the last day of enrollment in the summer dining plan, or the last day of summer session 3.
